

Anti-Fog Medical Isolation Face Shield

Application

- Hypoallergenic foam band can absorb sweat and provide enough room for eye glasses or safety goggles.
- Vented foam design for increased air flow and comfort.
- Sonically welded band gives the face shield added strength and reliability.
- Available in both elastic band and adjustable Velcro band.
- Lightweight and comfortable to wear, quick and easy to don.
- Excellent protection against potential contamination from blood pathogens, body fluids, or harmful chemical splash.
- All straps can be sonically welded or secured to the shield
